PRESS RELEASE

### HEAD OF PACO HANDS OVER REFERENCE DOCUMENT

Head of Parliamentary Assistance Coordination Office (PACO), Finda Fraser has on Wednesday 15<sup>th</sup> March 2017 in Committee Room One, on behalf of the Commonwealth Parliamentary Association-United Kingdom (CPA-UK) presented a cartoon filled with reference materials printed exclusively for Westminster and the Parliament of Sierra Leone to Peter Kulagbanda, Director of Committees in the Parliament of Sierra Leone.

She said the reference material on “effective committee oversight” is geared towards understanding and enhancing the work of committee clerks in both Houses.

On receiving the reference document which emanated out of trainings CPA-UK had with committee clerks both in and out of Sierra Leone, Kulagbanda encouraged his clerks to read, digest, and implement the best practices as contained in the reference material to improve their work.

Deputy Clerk of Parliament, Mohamed Lebbie appealed for additional copies to be printed by CPA-UK, through the Head of PACO.
