AGREEMENT
between the Government of the Republic of Sierra Leone and
the Government of the Russian Federation
on cooperation in the field of fishery

The Government of the Republic of Sierra Leone and the Government of the Russian Federation, hereinafter referred to as the Parties,

basing on the mutual intention to strengthen friendly relations and develop cooperation between the States of the Parties in the field of preservation, management and efficient utilization of living marine resources,

conscious that the cooperation in the field of fishery based on mutually beneficial conditions will contribute to further development of the fishing industries of the States of the Parties,

taking into account the United Nations Convention on the Law of the Sea of December 10, 1982 (hereinafter - the Convention), and recognizing the sovereign rights of the States of the Parties in the field of research, utilization, preservation, and management of living marine resources within their exclusive economic zones, have agreed as follows:

Article 1

The Agreement establishes the principles of cooperation between the Republic of Sierra Leone and the Russian Federation in the field of preservation, efficient utilization, and management of living marine resources within the exclusive economic zone of the Republic of Sierra Leone and defines conditions of fishing activity for the vessels sailing under the Russian flag (hereinafter - the Russian fishing vessels) in the exclusive economic zone of the Republic of Sierra Leone.
